

Appl. No.10/773,788

Attorney Docket No.: 113394 CON

REMARKS

Claims 4, 14 and 21 were indicated to contain allowable subject matter.

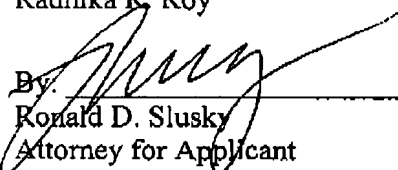

Applicant has amended the respective parent claims 1, 12 and 20 to incorporate the limitations of claims 4, 14 and 21, which have been canceled.

It is thus believed that the examiner would now regard claims 1, 12 and 20, and all claims that depend from them as being allowable.

Applicant does not agree with the grounds of rejection set forth in the Office action relative to the claims as originally filed. However, pursuant to the desires of the assignee, AT&T Corp., applicant is amending claims 1, 12 and 20 as aforesaid so that this application can pass to issue. Applicant intends to consider filing a continuation of this application to pursue claims 1, 12 and 20 in the form originally presented.

Reconsideration is requested.

Respectfully,  
Radhika R. Roy
